A Beautiful and Productive New Greenhouse Forcing Rose

GREENHOUSE ROSES OF MERIT

for

1953-1954

CARLTON ROSE NURSERIES *"Better Forcing Roses"* **CARLTON, OREGON**

NEW and IMPROVED ROSES for GREENHOUSE FORCING

YELLOW PERFECTION

Yellow

Jos. H. Hill Co.
(Plant Pat. No. 1083)

A beautiful new Rose offered for the first time this year by Joseph H. Hill Company. The buds of this variety are much longer than Golden Rapture and carry longer stems. Consistent in color, good fragrance, and a fancy Rose in any market. Produces 25 to 30 flowers and has from 32 to 35 petals. Starts freely after pinching or cutting. Plants available now.

TRIPLE XXX STARTED PLANTS

\$50.00 per 100

GOLDEN RAPTURE

Yellow

A. N. Pierson Co.
(P.A.F.)

A new improved Golden Rapture, sharp and clear in color, introduced by A. N. Pierson Co. of Cromwell, Conn. This new rose does not carry the blonde flowers found in regular Golden Rapture. This variety has been thoroughly tested at Pierson's and offers the finest type of flower in its color class. Growth, foliage, and buds are identical to Golden Rapture but true rich yellow flowers are consistently produced. Available for 1953-1954 only. P.A.F.

HAVANA

Pink

"As Lively as Its Name Implies"

Arnold-Fisher Co.
(Plant Pat. No. 1109)

A beautiful new Greenhouse Rose which can be used for forcing in place of Talisman. Flowers resemble Talisman in bud, changing from Sunset Gold on the outside of petal to a most beautiful Pink when fully open. Production is around 60 flowers, making it very profitable for greenhouse purposes. Grows and blooms freely the year 'round. Blossoms open well in water and stay firm when refrigerated. The firmly textured flowers retain their perfect form and beauty when fully open. Try Havana in your own range and see how this "Bread and Butter Rose" will increase your profits. Available now.

"LITTLE WALLACE"

Pink

Introduced by Beall Greenhouse Co.

Jos. H. Hill Co.
(Plant Pat. No. 1116)

An exceedingly prolific Sweetheart Rose, producing an abundance of mostly single stem flowers without dis-budding. This is an exquisite small pink Sweetheart that every grower should have. Available for delivery in 1953-1954.

HAPPINESS

Red

Jos. H. Hill Co.
(Plant Pat. No. 911)

A rich dark red Rose of outstanding quality. Produces exceptionally large long-stemmed blooms, bringing top prices in every market, even during the warm summer month. Demand for this new Rose continues to be most excellent and we firmly believe every grower should have this variety. Further information on growing and handling this variety will be sent on request.

CARLTON DORMANT AND STARTED BUDS ARE GROWN EXCLUSIVELY FOR THE GREENHOUSE FORCING TRADE. OUR PLANTS ARE EXCEPTIONALLY STRONG, VIGOROUS PLANTS THAT BREAK AND GROW FAST IN YOUR BENCHES. Our rich River Bottom Silt Loam produces an excellent fibrous root system required for benching or pot-grown rose plants. Plants from this soil carry all the natural organic minerals required for the strong surge of energy so necessary for fast growing and fast-breaking greenhouse plants. OUR NORTHERN GROWN STOCK is fully matured and perfectly dormant when shipped and will save any rose grower both time and much oil or coal required for heating. We start our shipping in early November and through the winter to May, or June.

WRITE, WIRE OR PHONE YOUR BUD ORDER TODAY—Let us set the Manetti aside for you now and you send your list of varieties wanted now or before June 1st.
